

Em C G
By grace alone through faith alone in Christ alone
Am D Em
Salvation by authority of the Word alone
Em C G
True holiness and righteousness are not my own
Am D Em
Unless they are a gift from God through Christ alone

Em C G
My sinfulness seeps willingly through flesh and bone
Am D Em
My evil thoughts and speculations often roam
Em C G
But grace alone through faith alone in Christ alone
Am D Em D
Will drag me like a struggling child safely home

Em C G
And grace alone through faith alone in Christ alone
Am D Em
Brings all the glory, all the praise, to God alone
Em C G
The gratitude You've given me spurs me on
Am D Em
But I will trust only in good works You have done

Em C G
By grace alone through faith alone in Christ alone
Am D Em
Foundation of salvation that I'm living on
Em C G
At once I am alive and dead, a living stone
Am D Em D Em
Dead in my flesh, alive in Christ by grace alone
